

Unlock Spain

Helping you set up and grow your business

2021

Expanding your business in Spain

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our Unlock Spain service can provide expert advice and insight to support you every step of the way. From helping you find the best location, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

International expansion is an important step, but with a dedicated international business adviser, who takes time to understand your business and customise the specific services you require, you'll know you have the support to manage the risks and maximise the potential a new market offers your business.

Our advisers can help at every stage of your company's growth cycle – from starting-up, raising venture funding, listing on a global exchange, acquiring or merging with another company, or using Spain as a base to expand into other markets – which means that whatever the challenge, we're at your side.

We can help you with the following services:

1. Company set up

Why choose Spain?

There are several reasons to choose Spain as a place to be.

Unparalleled arts, history, cultural heritage and diversity go hand in hand with manufacture, innovation and research that make our country unique. Adding this to the traditional Spanish spirit of being open to life, joyful and welcoming to others makes it a perfect mix to attract foreigners to establish here.

- Population of 49 million
- 13th largest economy in the world and 5th in the EU
- Providing access to 500 million consumers within the EU
- Spain is a unique hub for the EMEA Region and Latin America
- Spanish is the second most widely spoken language in the world
